Under 13 Girls	Under 13 Boys	Under 15 Girls	Under 15 Boys	Under 17 Women	Under 17 Men
					
Jennifer Brydon	Euan Johnston	Vacant	Ben Grant	Vacant	Taylor Roy

Re – elections for the Age Group and Vice Captains positions will take place in March and nominations are now open. If you are an athlete wondering how you can help the club then look no further and nominate yourself for a position.

If you are interested in nominating yourself for one of the captain positions then contact the Athlete or Youth Representative ASAP via one of the contacts or speak to them during training hours. Athletes can nominate themselves for a position based on track and field indoor and outdoor seasons age groups (so if you are under 13 for the cross country season but under 15 for the indoor season then you can nominate yourself for the Under 15 position only). These positions may involve providing information about up coming competitions or answering any questions an athlete may have as best as you can. Also you will be required to attend a meeting once a month to feedback information regarding the athletes (the Athlete's Meetings are usually held on a Thursday after training from 8.00-8.45).

The Athlete and Youth Representative will help in these positions if help is needed and offer advice. This position may require a bit of free time before or after training on either a Tuesday or Thursday to get a chance to speak to the athletes therefore training regularly is essential.

The closing date for all nominations will be Thursday 26th February. After the closing date there will be the chance to vote for your Age Group and Vice Captains indoors at the ballot box (the same system as the Club Kit ballot). An athlete receiving the most votes for a position will become Age Group Captain. An athlete receiving the second highest number of votes for a position will become Vice Captain. The voted Age Group and Vice Captains will be revealed at the AGM on Wednesday 18th March held at the Civil Service Club in Rosyth so do come along.
