Youth Social Night – Number 2:

- The second Pitreavie Social Night was held on Friday 16th January in the clubhouse and again, was another success with athletes from various groups turning up. The event is a chance to come together for a relaxed and informal couple of hours away from the track and is a great opportunity for athletes to get to know athletes from across the various training groups.
- It's also an opportunity for newer parents to have a cuppa in the cafe and ask the million questions you probably want to ask about the club and the season ahead. At the moment it's a few seasoned Mum's taking the opportunity to have a catch up and blether.
- The event is popular with our younger athletes (from U11 up to U20).
- We have our own pool table and table tennis table and thanks to Fife Resource Base we can borrow equipment each month to keep things fun. This month we borrowed giant Jenga and Connect 4 and Fifa was also very popular with the boys
- The plan is to hold this event on the first Friday of the month, starting on Friday 6th March. The event is looking to be a very successful fundraiser for the future as well as a great bonding experience.
